

Subject Networks - on Teams!

A collaboration between Lydiat Learning Trust, Meols Cop Research School, AMP SCITT, Sefton Local Authority and Rainbow Teaching School Hub

NETWORK OVERVIEW & AIMS

✓ **For Subject Leaders and/or Subject Specialists - one event per term**

To foster co-construction, collaboration and provide opportunities to share good practice across a range of Schools and Trusts.

✓ **Subject focused; rooted in the latest research**

To support the development of knowledge and understanding of the latest research within specific subject areas and to support the development of evidenced based best practice.

✓ **Expertise provided by Subject Lead Professionals and Subject Organisations**

To include HEIs, Subject Associations, the Education Endowment Foundation and many more, to develop links with wider Educational Providers.

SUBJECT DATES @ 3.30 - 5PM:

English - Thur 23rd June

Geography - Mon 27th June

Maths - Tues 28th June

D & T - Wed 29th June

History - Thur 30th June

Science - Thur 30th June

Art - Monday 11th July
